

PRE-SCHOOL AT ST SAVIOURS

Complaints procedure

Statement of intent

Our setting believes that children and parents are entitled to expect courtesy and prompt, careful attention to their needs and wishes. We welcome suggestions on how to improve our setting and will give prompt and serious attention to any concerns about the running of the setting. We anticipate that most concerns will be resolved quickly by an informal approach to the appropriate member of staff. If this does not achieve the desired result, we have a set of procedures for dealing with concerns.

Aim

We aim to bring all concerns about the running of our setting to a satisfactory conclusion for all the parties involved.

Methods

To achieve this, we operate the following complaints procedure. All settings are required to keep a 'summary log' of all complaints that reach stage 2 or beyond. This is to be made available to parents as well as to Ofsted inspectors. The person responsible for managing complaints is Jeanette Samuel. A copy of this policy is given to each parent before their child starts at the Pre-School.

Making a complaint

Stage 1

- Any parent who has a concern about an aspect of the setting's provision talks over, first, his/her worries and anxieties with a member of the Partnership.
- Most complaints should be resolved amicably and informally at this stage.

Stage 2

- If this does not have a satisfactory outcome, or if the problem recurs, the parent moves to Stage 2 of the procedure by putting the concerns or complaint in writing to the Partners. We will acknowledge receipt of the complaint in writing.
- The setting stores written complaints from parents in the child's personal file. However, if the complaint involves a detailed investigation, the setting leader may wish to store all information relating to the investigation in a separate file designated for this complaint.
- When the investigation into the complaint is completed, the Partner meets with the parent to discuss the outcome within 7 working days.
- When the complaint is resolved at this stage, the summative points are logged in the Complaints Summary Record.

Stage 3

- If the parent is not satisfied with the outcome of the investigation, he or she requests a meeting with the Partners. The parent should have a friend or partner

present if required and the Partner should have the support of another partner, present.

- An agreed written record of the discussion is made as well as any decision or action to take as a result. All the parties present at the meeting sign the record and receive a copy of it.
- This signed record signifies that the procedure has concluded. When the complaint is resolved at this stage, the summative points are logged in the Complaints Summary Record.

Stage 4

- If at the Stage 3 meeting the parent and setting cannot reach agreement, an external mediator is invited to help to settle the complaint. This person should be acceptable to both parties, listen to both sides and offer advice. A mediator has no legal powers but can help to define the problem, review the action so far and suggest further ways in which it might be resolved.
- Staff or volunteers within the Early Years and Childcare Service are appropriate persons to be invited to act as mediators.
- The mediator keeps all discussion confidential. S/he can hold separate meetings with the setting personnel (Partner) and the parent, if this is decided to be helpful. The mediator keeps an agreed written record of any meetings that are held and of any advice s/he gives.

Stage 5

- When the mediator has concluded her/his investigations, a final meeting between the parent, Partner is held. The purpose of this meeting is to reach a decision on the action to be taken to deal with the complaint. The mediator's advice is used to reach this conclusion. The mediator is present at the meeting if all parties think this will help a decision to be reached.
- If after this process has been completed and the parent /carer feels their complaint has not been resolved that the matter would be referred onto Ofsted.
- A record of this meeting, including the decision on the action to be taken, is made. Everyone present at the meeting signs the record and receives a copy of it. This signed record signifies that the procedure has concluded.

The role of the Office for Standards in Education, Early Years Directorate (Ofsted) and the Surrey Safeguarding Children Board.

- Parents may approach Ofsted directly at any stage of this complaint's procedure. In addition, where there seems to be a possible breach of the setting's registration requirements, it is essential to involve Ofsted as the registering and inspection body with a duty to ensure the National Standards for Day Care are adhered to.
 - The address and telephone number of our Ofsted regional centre are:
OFSTED Piccadilly Gate, Store Street, Manchester, M1 2WD Telephone: 0300 123 1231 enquiries@ofsted.gov.uk www.ofsted.gov.uk
-

- If the complaint made had any child protection implications, we would follow the Surrey Safeguarding Children Board procedures, see 'Safeguarding Children Policy'.
- These details are displayed on our setting's notice board.
- If a child appears to be at risk, our setting follows the procedures of the Surrey Safeguarding Children Board in our local authority.
- In these cases, both the parent and setting are informed, and the setting leader works with Ofsted or the Area Safeguarding Children Committee to ensure a proper investigation of the complaint, followed by appropriate action.

Records

- A record of complaints against our setting and/or the children and/or the adults working in our setting is kept, including the date, the circumstances of the complaint and how the complaint was managed.
- The outcome of all complaints is recorded in the Complaints Summary Record which is available for parents and Ofsted inspectors on request.
